Pat Barwick

### New Zealand Hockey Masters Advisory Council

Lee Munt

## Presidents report - Caleb Ballin

As you all know I am immensely proud of our Club, its people and how we go about expressing ourselves on and off the pitch as Reddos people.

When I look around the Club this season, having gone to all types of games from Junior to top flight games, I genuinely believe we have a group of people in our Club that respect one another, we give it our all and I think we play for the benefit of the team first and foremost.

These values or traits are what we are all about as a Club, they help guide us in team selections and decisions and I think they will make us better people in life.

### Highlights

- Receiving the New Zealand Club of the year award on the North Shore for the 2020 season.

*Above: Pat Barwick, myself and Miranda Ballin*

- Run to Remember recognising the 10 year anniversary and welcoming Amanda Hooper's family as Club members ran to remember
- George Enersen's Annual Pre-season Goalkeeping workshop
- 11 teams in the Junior Club and 12 in the Senior
- 9 of our 11 Junior teams finished in the top 3
- We had No disciplinary issues this season!

- The Juniors collectively scored over 491 goals played 162 games!
- The Seniors going to all the junior games during the season and helping at Skills clinics were a real highlight
- Development of players assisting in higher grade teams including CPL Debuts from Super League and two old timers - Max Hill Cattermole, Josh Erasmus, Jonty Munt, Hamish Sherratt alongside Caleb Ballin and Coach Keryn Ambler
- Players involved in Canterbury Teams and Tournaments
- SSL has been a highlight grade this season – I thought the boys 5-4 win against an older University team was a highlight game
- Sunday Super league (SSL) won both of their Boys and Girls grades
- We made semi-finals in all of our top 3 grades, being the CPL, Division 1 and SSL.
- We finished runner up for Division 1 Woman's and CPL Men's
- And third in Division 1 Men's and CPL Woman's

### **Recognition – committee, volunteers, sponsors**

A massive thank-you to our sponsors, Gareth at Just Hockey, Nick Brown at Sumner Supervalu, Mike at Pizza Republic, the team at Beck and Caul and finally to Sam and Max at the Oxford Group. The new hoodies featuring our updated logo sold out and could be seen around the turf.

I would also like to say a huge thank you to our volunteers, social media managers, to our managers, club captains, coaches and also our amazing committee for your work amongst the COVID limitations..

In 2021 we introduced the Andrew Van Der Bent Trophy for Most Promising Male Youth Player which is appropriate as he has served Carlton Redcliffs over an extended period of time both playing and coaching. Vandy played for Carlton Redcliffs as a junior through the grades to Premiers and for New Zealand as well as coaching at all levels over the years. His coaching has benefitted so many players who enjoy his shuttles and his considered, analytical and enthusiastic approach to coaching.

This year saw a change to the focus for our awards at our prizegivings to reflect the importance of the team and our awards recognised the Most Outstanding Team Member. A huge important thanks to our players..... without you guys choosing to play for Redcliffs We would not have the amazing culture and club we have today.

Caleb Ballin  
Chair

---

## Treasurer's Report – Jonathan Davis

### FINANCIAL REPORT FOR 2021

The club in 2021 had 374 members including coaches, managers, committee and players – 40% men and 60% female.

There were 293 players.

There were 210 players born after 1/1/2002 with 66% female and 33% male.

There were 91 players born after the 1/1/2009 with 66% female and 33% male.

This season we have managed to put new playing shirts on 210 players out of the 293 players in Carlton Redcliffs (72%) which was achieved via sponsorship and grants.

The club also managed to give some gifts to the coaches in appreciation of the work they do - \$6,350 compared to \$1,728 in 2020.

The club made a profit of \$7,357 for the season. My aim was to break even. We had \$4,000 of unexpected sponsorship (\$2,000 Team Cabling and Beck and Caul 2020 and 2021 sponsorship in 1 year). In addition, Just Hockey was okay about turning MVP into gift vouchers, so we reduced our coach's costs by \$2000.

The club has \$47,183 in the cheque account and \$25,314 in a term deposit. In addition, there is \$1,174 of merchandise on hand – Supporter T's and CPL men's Training T's.

Financially the club is in a strong position.

My concern is the number of members which has dropped from 306 in 2019 to 293 players in 2021 (4%). Not a big drop but the club is not growing. There is also a small number of males coming through the club at only 33%.

I would like to see the club calculate what expenses in the form of playing strips, video camera, goalie gear, balls etc are required in 2022. We can then see if we could fund a hockey development officer to help grow the number of junior members playing hockey for Carlton Redcliffs.

Jonathan Davis

**CARLTON/REDCLIFFS HOCKEY CLUB INC**  
**NOTES TO THE FINANCIAL STATEMENTS For The Year Ended 31 October 2021**

**1. STATEMENT OF ACCOUNTING POLICIES**

**Special Purpose Report**

Carlton/Redcliffs Hockey Club Inc is an incorporated society, incorporated under the Incorporated Societies Act 1908. The financial statements of Carlton Redcliffs Hockey Club Inc have been prepared as a special purpose financial report authorised by the members. This special purpose financial report has been prepared on the principles contained in the Income Tax Act 2007 to enable the members to meet their responsibilities outlined in the club constitution. Accordingly this report is not prepared in full compliance with generally accepted accounting practice (GAAP) and should not be relied upon for any other purposes or by anyone other than the restricted user group.

**Measurement Base**

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on an historical cost basis are followed by the trust, with the exception of certain items for which specific accounting policies have been identified.

**Specific Accounting Policies**

The following is a summary of the specific accounting policies adopted by the trust in the preparation of this special purpose financial report.

**Goods and Services Tax**

These financial statements have been prepared inclusive of GST as Carlton/Redcliffs Hockey Club Inc is not registered for GST.

**Taxation**

The Club is exempt from income tax under section CB4(1)(b) of the Income Tax Act 1994.

**Property, Plant & Equipment**

Playing gear, equipment and uniforms have been valued at net realisable value. The board considers the net realisable value to be nil.

**Changes in Accounting Policies**

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

**2. SECURITIES AND GUARANTEES OF LIABILITIES**

There are no securities held over the club's assets.

**3. AUDIT**

The financial statements have not been audited.

*The Special Purpose Financial Report above is to be read in conjunction with the Notes to the Financial Statements.*

## Men's Club 2021 – Chris Goldsbury

2021 was a year where the men's club was able to build on the success of the previous year(s), and was certainly one of the more consistent years we have had in a while. Consistency was shown not only in performance, but in player retention and our coaching staff, which all contributed to successful showing, where we had four teams place in the top four, along with our Platinum Boys gaining valuable experience as a young team.

The Premier Men once again found themselves on the wrong end of a penalty shootout in the final, falling at the last hurdle once again. It was still a huge effort from the boys to get to the big dance for the second straight year, with the core of the side remaining and providing plenty to look forward to over the next years. The team welcomed back Nick Haig to the club, having spent the best part of 10 years in Auckland or Belgium, and his presence will be great for the entire club moving forward.

The Division One Men put up another great set of results, finishing the round robin on top of the table, but then going down in a thrilling semi-final on penalty shootout. The team continues to blend youth with experience, and provides a strong pathway for players aspiring to play and/or having played at a premier level.

The real success story of 2021 was the Super League team, who gained promotion from the 'championship' grade into the 'premiership', earning a spot in the final and then talking out the title in one of the best club finals ever seen. The team was young, with most of the players at high school, but the boys showed incredible work ethic and desire going up against grown men most work.

A credit to Adam Hillis, who was also named Senior Coach of the Year, for his work with the boys over the past two seasons, and he had a great manager in Pip Goldsbury. Dean Munt also provided Adam with great support over the season.

The Platinum Boys may have struggled to register victories, but with a majority of boys Year 9 it was always a tough ask in a grade where teams with Year 10s (and above) were always going to be stronger. They came together well and made huge progress under the coaching of Lee Munt & Andrew van der Bent.

Our Mid-Week team continue to offer a more relaxed but competitive environment, and they came away fourth on the table. Big thanks to Greg Pierce who continues to organize the side which can't be all that easy. A number of our Mid Week team along with some of our more 'experienced' Div 1 players (along with others) fly the flag for the club in the summer in the Masters grade.

It was a great honour to introduce the Andrew van der Bent Trophy for the Most Promising Youth Male for the first time this year, with Ollie Munt the worthy winner.

A special mention of all our coaches who work tirelessly throughout the season. Keryn Ambler, Dean, Adam, Lee and Vandy – thank you for your efforts and your ability to connect as a men's club to create a strong identity across all the grades. A big thank you to all our managers also – Ritchie, Tanyia, Pip, Carolyn and Greg. We look forward to a 2022 season without any disruptions!!

Chris Goldsbury  
Men's Club Captain

## Women's Club 2021 – Lydia Shirley

As the 2021 season rolled around the coaches and selection committees had some difficult decisions to make due to the large number of females trialling and the development that had been made across the summer. The club entered seven senior women's teams across the various grades. Upon reflection, this season was very successful with five of the seven teams in the top four and two narrowly missing out placing fifth for the season.

The Premier Women were set to redeem themselves after second place in 2020, with the bulk of the group returning and some new faces to the club. The year started strong winning the Porritt Cup and finishing second in the round-robin of the league. However, a loss in the semi-final left the Premier Women battling it out and claiming third place.

A special mention must go to Sally Moorfield who has coached the CPL Women's team for over 12 years. In this time, she has not only claimed numerous trophies with this team but also built a team culture like no other. Thank you for your time and effort Sally. We look forward to seeing you watching on in the future.

The Division 1 team saw several girls return from the team in 2020 with new head coach Andrew Hastie. This season was somewhat disrupted as games were deferred due to the under 18 national tournament. However, the team did not shy away from the challenge and were competitive all season long. A thrilling

sudden death shootout performance in the semi-final earned a place in the final, finishing second season.

The changes to the club competition resulted in year 11s being recommended to play Sunday Super League whilst the year 9&10 played in the Platinum Grade. This was originally unsettling for some players but as the season went on the SSL team grew stronger. The team claimed the title after an unbeaten season with one draw late in the second round. Several of the platinum girls gained experience in this grade whilst some of the SSL members were exposed to Div 1 hockey. The team gained some valuable experience in this grade, and we look forward to seeing their progress in the coming years.

The club had two platinum girl's teams, Platinum Black in Div 1 and Platinum Red in Div 2a. Platinum Black had some hard-fought battles and close games throughout the season. On numerous occasions, these girls were unlucky to not come away with a win or draw. The team finished fifth in their grade. The Platinum Red team finished 4th in their grade this year. The team understanding of positional play and concepts of hockey grew in leaps and bounds throughout the season.

Our Mid-Week Open Women's teams had some close games throughout the season. These women show up every week and leave it all out on the turf. The season saw MWO White finish fifth in Div 1 and MWO Red finish fourth in Div 2.

2021 has been a season with some great results for the club. Each team has played with passion and pride every week which is something we as a club can be proud of. Additionally, the interaction between the senior and junior club with skills clinics and visits to junior games was a major highlight this season. Thank you to all the coaches and managers who have stepped up this season. The time and effort that you put into your teams and the players is massive and as a club, we appreciate it. To the parents, thank you for your ongoing support this season.

As the women's side of the club continues to flourish with some great talent coming through, we look forward to seeing what 2022 has to offer. In the meantime, enjoy the summer off and see you all back on the pitch next year.

Lydia Shirley - Women's Club Captain

Women's Club Captain

Lydia Shirley

## CPL Women - Sally Moorfield

The 2021 Reindeer welcomed into our team 3 new players Annabelle Wilson, Emily Wium and Claudia Preyoux, Kate Willis returned after a year off and Georgie Blackwood returning after a few years overseas. Sadly we lost Margot Willis to a season ending injury after just a few games.

Starting the season well by winning the Porritt Cup with an unbeaten run, we headed into the main season full of energy and excitement.

Playing with experienced defenders Leah Butt, Jacqui Moorfield, Lydia Shirley, Pippa McKinnel, Rosie Bedford and Aleisha Davis who were all very fortunate to have Kirsty Nation as the keeper behind them, we let very few opportunities in from the opposition.

The midfield of Sophie Redmayne, Brittany Wang, Courtney Ross and Annabelle Wilson, worked hard all year in training and matches to support the strikers. Strikers Jemma Watson, Jenna-Rae, Claudia Preyoux, Emily Wium, Kate Willis and Georgie Blackwood scored some fabulous goals and kept leading and pressing well.

The girls finished the round robin in 2nd place after the 12 rounds, only conceding 3 losses, advancing into the semi-final playing 3rd place Marist, a team we had beaten 4-0 a few weeks earlier. Sadly we couldn't get going to that same level, in a rainswept bitterly cold match and lost 2-0. We went on to beat Avon for third place.

The team became a large family supporting their teammates and giving energy and care to the other Reindeer. We had lots of fun and plenty of enjoyable social events which all of us will remember. There was a great spirit and comradeship "on the sleigh".

Huge thanks to Jane Jenkins our manager, and Meredith Orr who assisted with coaching and brought a wealth of experience to the team in the first half of the season. Leah Butt and Courtney Ross our team leaders, who lead by example each and every training and match.

Pat Barwick and Shirley Haig have been really supportive to me over my time coaching this team and are totally committed to the hockey club, we are very fortunate to have them on the sidelines.

Thanks everyone !

Winners Porritt Cup  
Second Rosebowl  
Third Finals.

Sally Moorfield  
Coach.

MOTM – Jacqui Moorfield  
MIP – Lydia Shirley

## CPL Men – Keryn Ambler

With a strong foundation established last season, our preseason was all about maintaining our standards but developing the X-factor that would set us apart from the rest of our competition.

The early few games turned out to be indicative of the majority of our season with our lads playing well in patches but struggling to find our 'flow' for long periods. This meant we were highly competitive, but we were never able to blow a team away.

We lost in round four to a strong Harewood side which meant relinquishing our hold on the Challenge Shield, after holding it for 15 matches. Our position on the table hovered around fourth for much of the season due to our seven drawn matches. Nearing the end of the second round the team was bolstered by the return of Nick Haig from Belgium. Nick immediately looked at home within the unit, expressing his passion and class from his first game. We gathered momentum from that point, gaining some much-needed points to secure third spot for the semis. Our match up was against a traditional foe, Marist. . . a repeat of last year's final. This time we played our most clinical match of the season to reach the final with a strong 2-0 win. Unfortunately, COVID reared its ugly head which led to delays. When we got the chance to play the final, we played an expressive and passionate style but at times our touch eluded us. The full-time score ended 3-3 and even though we had scored more boundaries, both sides had to head to a shootout, which HSOB won.

Overall, we showed glimpses of how we can dominate the league but just not for long enough periods. With back-to-back finals appearances, we feel in a good position to keep growing as a group. A big congratulations to Nick Lidstone for his selection into the Canterbury Cavalier's and George Enerson for his inclusion in the New Zealand Black Sticks this season.

At the awards evening, we acknowledged our award winners. As always, the awards were hotly contested throughout the whole squad. Jack Mitchell, in his first season for the club won the Most Improved Player, Keeley Legge won Most Valuable Team Member, and Trent Summers won the prestigious Rodney Hefford Memorial trophy. These players all showed the ability to consistently play at a high level, drive our team culture, and lead us in key moments.

Finally, I would like to thank a couple of key people. A big thanks to Chris for your efforts and expertise as part of the coaching team and Ritchie for your outstanding work as Manager. Both the team and I appreciate the time, effort, and passion each of you give to this team and the club.

Thank you all for another memorable season. I wish everyone an enjoyable and safe off-season and I look forward to seeing everyone this great game in 2022.

Keryn Ambler, Coach

MOTM – Keely Legge

MIP – Jack Mitchell

## Div 1 Women – Andrew Hastie

The Division 1 team for 2021 was a fantastic team made up of some returning players from the 2020 team, some promoted players from within the club and also some new players to the club. We were also very fortunate to have Anoushka Chiswell join the team after returning from the US. During the season we had a number of the Super Sunday League team & Mid-Week Open team play for us which was greatly appreciated.

Once the team was selected we knew that we would have a competitive side but there were five other very strong teams which made making the Top 4 very difficult. Coming into the final match of the regular season we needed to beat Hornby to make the Top 4. After twice falling behind the team battled back to win the game 4-2 and finish 2nd in the round robin competition.

The semi-final v HSOB was a wonderful game of hockey played by two very evenly matched teams. After scoring early in the game we conceded a late goal to draw the game in regulation time 1-1. After being down 3-1 in the shoot-out Jess McLennan and Mila Ballin showed nerves of steel to score their goals and Liv Dyer made 2 great saves to force the shoot-out into sudden death. It was left to Mila Ballin to score the winning sudden death goal after Anoushka Chiswell and Holly Gilray both converted their shoot-outs and Liv Dyer had made another great save.

The final was v Harewood and although losing 3-1 the team played very well. To finish 2nd in the Division 1 competition was a fantastic effort considering that some of the other teams had a large number of Canterbury representative players. Thank you to the team for your outstanding efforts and all of you contributed significantly to the success of the team. All year you all made trainings and games so much fun to be involved with.

I would also like to acknowledge the sportswoman ship of the team by agreeing to play both Harewood and HSOB in re-arranged games due to their teams having such large numbers involved in the National U-18 tournament. This was a credit to you all.

Stacey Potter was awarded the Most Improved Player and she became a stand-out player in the team. Liv Dyer deservedly won the Outstanding Team Member award. Liv played exceptionally well all season but also was the heart & soul of the team off the field which contributed hugely to the success of the team. Congratulations to Holly Gilray for making the Canterbury U-18B team; to Anoushka Chiswell for making the Canterbury Barracudas team; to Liv Dyer for making the Otago National Hockey Championship side and to Roseanna Porter for umpiring the National U-18 final.

Finally, thank you to the club as a whole; to Caleb Ballin who became a great Assistant Coach and Miranda Ballin & Jess Tisdall for managing the team superbly. The support from all of you was much appreciated. We look forward to seeing you all back at the club next season and enjoy the summer.  
Coach - Andrew Hastie  
Manager - Jess Tisdale

MOTM - Olivier Dyer  
MIP - Stacey Potter

## CPL Div 1 Men - Dean Munt

The season was a mixed bag for the team as we looked to defend our titles won over the previous two seasons. We again managed to put together a very strong team on paper with a mix of young and experienced (mainly experienced) and were extremely well supported from the players in our SSL team which we haven't really had before.

The team had a great start to the season and were well clear on the points table at the end of the first round and relatively free of injuries. This continued through the second half of the season despite the odd hiccup and we comfortably finished as top qualifier for the semifinals.

In our semifinal we came up against the only team we hadn't beaten during the season, Ashburton. Again, they stepped up and we struggled to match them in some areas and found ourselves several goals down going into the last quarter. We rallied and managed to tie things up to force a shootout and whilst on another day a decision made during the shootout might have gone our way and seen us into another final, it didn't and we ended up in the game that everyone wants to play 3<sup>rd</sup> and 4<sup>th</sup>!!

A third-place finish perhaps didn't completely reflect the great season we had up until that semifinal, but that's the way it goes. The team can take some satisfaction out of the victory of our SSL Men's team as I'm sure the trainings we had with them during the year including the practice games steeled them for the physicality they needed.

Thanks to Tanyia Legge our most improved Manager. As usual with this team we continue to make a valuable contribution to the social engagements at the club and we'll be back to bring our trophy home in 2022.

Dean Munt  
Coach

MOTM - Fergus Low  
MIP - Judson Bamford

## Super Sunday League Women - Lydia Shirley

It was an interesting start to the season with the new Super Sunday League announced and the uncertainty of where some of our key players would end up (Div 1 v's SSL). With the decision made that from Yr 11 below would remain playing SSL, the team got underway in a really positive manner looking forward to the season ahead.

Stage 1 saw the first full round robin being played with a total of 7 games with 1 game cancelled due to weather conditions. The girls racked up a total of 47 goals for and only 7 against, coming away with 7 wins. Lydia and Marty were doing an amazing job of getting the girls working together as a team.

Stage 2 we played a 3 week knock out competition which saw the bottom of the Premiership league move down to the Championship league, and the top of the Championship League go up to the Premiership league. Our girls came away with another 3 wins but had to really play hard against HSOB/Burnside Devils who were our nemesis throughout the whole season.

Stage 3 saw a clean slate with all teams starting on an even keel. A total of 8 games were played. The girls did us proud and managed to continue their winning streak by coming away with 7 wins and 1 draw putting them on the top of the table going into the final against HSOB/Burnside Devils. We had a couple of close, challenging games which was fantastic for the girls as they really stepped up and proved they deserved to be in that final, which they duly won but not without a good fight. Throughout the whole season, the girls scored 105 goals while only having 17 scored against them which was impressive!

Challenges saw us having several injuries throughout the season, losing one of our defenders halfway through, to an injury which meant she was out for the rest of the season. We also lost a further player who decided mid-way through the season she needed to withdraw from playing due to personal reasons. Subs required from our team for Div 1 on a number of occasions meant there was some creative thinking required but we always got there in the end, and a special thanks needs to go to the Platinum players and Midweek players who filled in when needed.

The positives however far outweighed any challenges with some of the highlights being a group of young women who really enjoyed their hockey this year, fully coming together as a team (we'd hear them before seeing them lol). There were a lot of laughs at late night trainings and on games days, and the coaching staff were amazing with Lydia sharing her wealth of hockey knowledge and being a player the girls really looked up to. Given Marty's personal challenges throughout the year, he became a real inspiration for the girls and was always there cheering the girls on whether from the bunker or bedside! I also want to mention Phil Berry (ex Canterbury goalie) who volunteered to work solely with Caitlin Baker our goalie – the difference in Caitlin's skillset by the end of the season was very noticeable and was acknowledged with her receiving the 'Most Improved Player' award, which was so deserved. Mila Hastie, our team captain who did a fantastic job right throughout the season was awarded 'Most Outstanding Team Member' which again, was very well deserved.

Kate Armstrong – Manager 2021

MOTM - Mila Hastie  
MIP - Caitlin Baker

## Super Sunday League 2 Men – Adam Hillis

The Sunday super league boys had an excellent season this year. The boys started their season in the championship division. They had some even matches as they started to work through the processes of their game plan. After the first round, they were sitting in second spot behind Waikirikiri which was enough for them to move into the premiership grade going into the second round. By this stage of the season, the boys were starting to play some very nice hockey and controlling games against stronger opponents.

The team started the premiership with good wins but fell against eventual finalists, Uni and Southern. Finishing the round in second and qualifying for the final, the boys had a massive match up against top of the table Uni. As expected, this was going to be a tight and physical tussle which the boys started very well. Both teams trading goal for goal with us always being the team going ahead. With the score level going into the final minutes, an outstanding deflection goal by Josh Knight put us the important goal ahead where we were able to close out the match and take the SSL premiership title.

The end of the year awards went to Aarush Bhagwat as MOP and Jack Sutherland as MIP

A massive thanks to Pip Goldsbury for all her effort on the side-line this season, the boys couldn't have succeeded without you!

Adam Hillis

MOTM - Aarush Bhgwat

MIP - Jack Sutherland

## Mid Week Open Men - Greg Pierce

We had another enjoyable season. There were 2 sides that dominated the grade and unfortunately neither were us. However we held our own amongst the rest and ended up 3rd equal.

There were a good group of dedicated (reliable) players who made organising a team relatively easy. However we were also lucky to have a number of others help us out.

Congratulations to Matthew Buckingham and Kenny Duncan respectively our MOTM and MIP

Congratulations to our MOTM and MIP

Greg Pierce

MOTM - Matthew Buckingham

MIP - Kenny Duncan

---

## Mid Week Open White Div 1 - Usha Ghanda

Unfortunately we could not make it 2 in a row after winning the competition in 2020, we could mention lots of reasons why but it just wasn't meant to be.

Again our team had lots of fun on and off the field – but we will be back in 2022 to give it another shot.

Usha Ganda-Wilson

MOTM - Claudia Jonasson Bell

MIP - Trudie Baker

---

## Mid Week Open Red Div 2 - Claire Ruru

Mid week open red had four new faces to the team this year! They were all Carlton players at one stage or another and all fit right into our social team dynamic! We had as many wins as losses, but most were close games and finished 5th on the table! A great, fun season!

Thanks, Ru

MOTM - Sam Bower

MIP - Lauren Thompson

---

## Platinum Women Black - Katherine and Greg Pierce

The Platinum Black team was a great group of teenagers, 11 Year 10's and 4 year 9's. They played in the top Platinum division and were very competitive.

The season was, as expected, very tough. It was initially an 8-team competition that went down to 5 in the second round. There was clearly a top 5 and bottom 3. We were in 5<sup>th</sup> place but had lost to the top 4 by only 1 goal.

The girls improved in every aspect, passing, tackling, positional play and determination. They also contributed more to planning. In the second round we only lost to Hornby and that was in the last 20 seconds. A standout game was against HSOB coming from 2 nil down to win 3-2. After this great second round we hit Marist in the play offs and lost. They won the competition. Greg and I were very proud of the free flowing, passing, and clean hockey the girls were endeavouring to play. It really was a pleasure to coach them.

Big thank you to our fabulous managers, Jennie Merchant and Sue Cusiel.

MOTM- Neve Ballin

MIP - Sam Kyle

---

## Platinum Women Red – Tanyia Legge

We started 2021 in Division Two (out of three) before CHA split the Platinum grades into 5 grades - Div 1, Div 2A, Div 2B, Div 3A & Div 3B. We finished in 3<sup>rd</sup> place in Div 2 out of 8 teams which equated to 11<sup>th</sup> out of 25 teams before the grade split where we moved into 2A. This was a fantastic result for the team as we were a team of players who came together from other clubs & schools, even other provinces.

The season for the girls was an up and down season results wise though – we went from having tight fought games to games where we scored double digit wins (over a Harewood team no less!) to having not so good results with a couple of games where a few goals were scored against us.

The focus for the team was for me to help improve their basic skills and get a greater tactical understanding of the game and the positions and to make that move from primary hockey to the grown up game. For me as the coach to see how well the girls played as a team at the end of the season is all that I could have asked for. The determination that the girls showed at the end of the season was vastly improved from the beginning along with those skills and strength.

We have to thank Lee and Andrew from the Platinum Boys team here as a lot of the improvement was the results of Tuesday night games against the boys. The faster pace and the pressure to make decisions really

had an impact for the girls and let's face it the lure of getting to play against the boys at this age b the competitive side! For both teams!!

Lastly thanks to my Manager, Annabel Brook for her hard work through the season, to Katherine Pierce for her assistance at trainings and the games and to the parents for supporting us each week.

### **MOST IMPROVED PLAYER**

As a team every single one of the girls improved over the season whether it was their skills, understanding their positions or understanding tactics but picking most improved was easy – Emilie Buick. Emilie hadn't played full 11aside hockey until this season. Her determination and effort to improve is something that she should be proud of and the effort showed week to week.

### **MOST OUTSTANDING TEAM MEMBER**

This was a tough one – there were several candidates and as a result this is a shared award for the team. Both of the girls receiving this award worked hard each week at practice and at game time leaving everything out on the field. Their work effort is outstanding, loved their umpiring duty at STAC and offered to do it again more than once. They supported their fellow team members all the time, welcomed the girls from the Primary team when they filled in but what was most appreciated from me was their desire to continue to learn and improve – congratulations to Sophie Booth & Olivia Hawkes.

MOTM– Sophie Booth & Olivia Hawkes

MIP - Emilie Buick

---

## Platinum Men - Lee Munt

This has been a difficult season for the guys in terms of the results but the bigger picture would suggest that this group performed extremely well.

Effectively this grade is U18 and as most of the boys were year 9 it was always going to be difficult physically to compete but what they lost in that regard they made up for in skill and a maturity beyond their years in dealing with adversity.

It was pleasing from a coaching perspective to see how the group responded to trainings with attendances around 95% every week contributing to huge improvement in their skill base and game knowledge.

It would be fair to suggest that this Team competed well against all the top of the table teams at some point during the season with single goal loses on a number of occasions, consistency being our downfall.

I would hope that we can continue to build on the progress made this season within this group as these guys are the Clubs future.

A big thankyou to Andrew Van der Bent for his Coaching, his understanding of the skills required and ability to impart that knowledge to these young men was invaluable. I cannot thank enough the efforts of our wonderful Manager Carolyn Wright, she kept us all up to date with regular Club updates and the weekly reminders about games etc.

To the Parents, thankyou for your tremendous support, I know the boys appreciated it and certainly Andrew and myself did.

Lee Munt, Coach

MOTM – Zach Adams

MIP – Tom Gough

## Junior Club Report - Lisa Langridge and Sarah Hawkes

Kia ora koutou,

2021 has been another successful year for our junior club, once again due to the enthusiasm and work carried out by committee members, junior coaches, and managers. We are very grateful for the large group of supportive parents and of course the players themselves.

Team allocations for the year 7 and 8 grade proved difficult this season, with the transition to 7 aside. Unfortunately, despite our best efforts, and some hard work by many behind the scenes, we could not come up with the numbers to form a straight year 8, 11 a side boys' team and, the five 8 boys joined a combined Avon-Redcliffs team under the Avon banner. The feedback received was that the boys had a great season with excellent coaching, and a high level of success. It was disappointing to lose the boys, however we wish them the best for their hockey, and hope that they will return to Carlton Redcliffs in the future.

Having players trialling for teams, and then pulling out to play for another club caused us difficulties once again the year 7/8 girl's grade. This problem however, turned into a wonderful opportunity for the club to support the community when we heard there were three young players from Linwood College's intermediate classes who were keen to play. The girls hadn't played organised sport before, and had cultural, language and financial barriers preventing them from getting involved. With the help of their teachers, we were able to support these girls to play for our club, by covering their subs, and Just Hockey provided them with a starter gear kit. The girls had a great season, and it was fantastic to watch their skills and confidence develop as the season progressed.

The first fixture for the year was the Canterbury Hockey Junior Super Six tournament held in the April School holidays. We had one girls team enter, and they did the club proud, with not only their hockey, but also their positive attitudes. The girls came away from the two-day tournament with two awards, one for **Fastest Team Development (Girls)**, and the other the **Sportsmanship Award**. Many thanks to the players and the parents who came out and made this event so much fun. It would be great to have more teams enter this tournament next year.

The Junior Academy program was held again this year, although it underwent some changes, being rebranded as Reddos Junior Skills Clinics. Last year's academy was disrupted due to covid restrictions, resulting in the sessions being spread across the season. We realised the spread was a great way for the junior players to apply their new skills to the game and to better fit with the senior players schedules for coaching support. We continued with this format this year, holding one session pre-season, and two more sessions on either end of the July school holidays, allowing for a progression of skills through the year.

Pat Barwick did a fabulous job of providing the content which we delivered with the help of many of our junior coaches, and an amazing turnout of senior players. The feedback from both the parents and players was very positive and we will look to run a similar Skills Clinic format in 2022.

The involvement of the senior players at the skills clinics, and coming out to support the juniors at Saturday games had a huge positive impact on the junior players, particularly our junior boys.

We look forward to doing this again next year, as it helped develop junior skills, and fostered our culture between the junior and senior players

2021 saw 104 Carlton Redcliffs juniors playing across the following 12 teams, with many making the top 3 teams in their respective divisions. Congratulations to all the junior teams for their efforts.

Redsticks- Year 8 Girls Div one	– Coached by Richard Schoeman - <b>Third in division</b>
Avon Reddos - Year 8 Boys Div one	– Coached by Avon Club <b>First in division</b>
Piranhas - Year 7 7aside Girls Div two	– Coached by Hugh Roberts <b>Second in division</b>
Stingrays – Year 7/8 7aside Girls Div three	– Coached by Jessie Anderson
Breakers - Year 7/8 7aside Boys Div two	– Coached by Shirley Haig – <b>First in division</b>
Seahawks -Year 5/6 Girls Div one	– Coached by Olivia Young – <b>Third in division</b>
Barracudas – Year 5/6 Girls Div two	– Coached by Tony Saunders
Moas – Year 5/6 Girls Div three	– Coached by Carrie Worthington
Sharks - Year 5/6 Boys Div one	– Coached by Scott Kyle - <b>Third in division</b>
Dolphins - Year 3/4 Girls Div one	– Coached by Caleb Ballin and Penny Hough – <b>Third in division</b>
Seahorses - Year 3/4 Girls Div two	– Coached by Amanda Richards – <b>Second in division</b>
Redocks - Year 3/4 Boys Div two	- Coached by Simon Munt – <b>First in division</b>

It was disappointing for everyone to miss the last game with a snap lockdown in August ending the season early. However it was great to see such a large turnout at the Junior Celebration held this year at the Pizza Republic. Organising the event took some effort to keep within COVID crowd restrictions, but the result was a great gathering of parents and players to celebrate the successes the junior club had this year. Rather than the traditional MVP and MIP awards, 2021 saw the club made the decision to focus on each player's personal development, with individual certificates awarded to all junior players.

The Year 8 Lee Munt and Amanda Hooper Memorial awards were won this year by:

**Lee Munt Award:** Sebastian Johnson

**Amanda Hooper Memorial Award:** Nicola Schoeman & Annabelle Barker

Thank you to the committee, and the many coaches and managers who worked so hard to support our junior teams this year.

We are looking forward to another great season in 2022.

Lisa Langridge

**Junior Club Captain**

## Carlton Redcliffs Hockey Awards

*Andrew Van Der Bent, 1997 Blacksticks v Korea*

Pamela Thomson Cup	Most Promising Female Youth Players	<b>Pippa Baker</b>
